

## MAKE GOOD CHOICES

- Stop and Think - Do you really need another pair of Goggs?
- Support environmentally sustainable companies.
- Consider quality second hand goods
- Research the materials and fibres in your gear.

## TAKE CARE AND MAKE IT LAST

- Take care of your gear to prolong it's life
- Clean it. Sew it. Patch it.
- Bored of it? Create a clothing or gear swap

## AT THE END OF IT'S LIFE

- Donate to organizations that share or repurpose outerwear.
- Donate outerwear and apparel to participants in your program.
- Upcycle your apparel into fun creations.
- Work with lost and found to find new homes for lost and forgotten gear.
