

## **CADS Alberta Partners with AMPED2PLAY to Provide Alberta Ski and Snowboard Areas Diversity & Inclusion Training!**

CADS Alberta recognizes the efforts of Alberta Snowsport Resorts to ensure that CADS Alberta members have access to exceptional snowsport experiences. The continued support of CADS Member discount across Alberta is a great benefit to our Members.

In an effort to continue to expand the Inclusion knowledge that opens market opportunities for services providers such as our Alberta Ski and Snowboard Area Partners, CADS Alberta has partnered with AMPED2PLAY, an international company specializing in Diversity & Inclusion Training for Not-for-Profit and For-Profit organizations.

AMPED2PLAY is offering Engaging Inclusion, a 4-hour training program that raises awareness for Ski and Snowboard Area staff and leadership as to how to increase the inclusivity of their organization.

AMPED2PLAY is donating 20% of all revenues generated from each Engaging Inclusion program delivered to CADS Alberta.

The program cost is \$1500.00 + GST for up to 20 people plus travel expenses to the location.

CADS Alberta continues to seek out ways to open doors of opportunity for individuals of all abilities and ages to enjoy winter sport in Alberta! Providing increased knowledge on inclusivity to our key partners in snowsport, CADS Alberta believes that this partnership can only strengthen our relationship with Alberta Ski and Snowboard Resorts, and expand the reach to even more individuals with various disabilities to take part in winter recreation in Alberta.

**For information about booking an Engaging Inclusion Training Event, please contact Sandra  
at [bookings@amped2play.com](mailto:bookings@amped2play.com)**
